Dear Mr. Navarro.

Herewith we transfer the approval as "BMW Longlife-04" oil, given for the engine oil code "IME 0605642-A" of Infineum, to your reblend oil "Akron Spitzen SN" SAE 5W-30 (oil code IME 0605642-A). Consequently it is approved according to our approval procedure (5th Issue June 2006) for the usage in BMW engines operating in compliance with our operating fluids manual.

This confirmation is valid for two years beginning with the date of this letter. Prolongations for additional two years have to be requested in good time.

Engine oils produced using the code or brand names mentioned in this letter of confirmation have to comply with the tested oil sample in every respect. Any proposed alteration or modification to the lubricant is to be supplied in writing to the BMW departments "Entwicklung Antrieb" and "Betriebsstofflabor" whereby a new approval may be granted.

Publication will ensue in the BMW Operating Fluids Manual as follows:

designation:	viscosity:	company:
Akron Spitzen SN	SAE 5W-30	Mexicana de Lubricantes S.A. de C.V.

Yours sincerely
Bayerische Motoren Werke Aktiengesellschaft
